

Interprofil.

Design: Peter Maly

falcon

A light armchair that can act as an excellent addition to many a suite with its swivel feature and gently contoured silhouette. The chrome-plated central leg lends it its characteristic appearance. It complements the new “eagle” functional sofa range particularly well, which carries the same design signature.

Functions	Seat can be swivelled 360°
Options	Leather appliqué on front of chair when fabric upholstery selected (subject to additional charge)
Upholstery	Leather Fabric
Frame	Seat made of solid beech and veneer plywood Swivel frame made of chrome-plated flat steel
Dimensions in cm	Width 88, Depth 70, Height 72, Seat height 45, Seat depth 48
